

Checklist for Applicants with Swedish Academic Merits

to master's programmes at Linköping University

Given name(s) and surname (in BLOCK LETTERS)

Application number at universityadmissions.se or antagning.se

Please make sure that you arrange the documents in the same order that they are listed below and send the checklist enclosed with the rest of your application package.

Required documents:

Degree

- Registered academic merits (transcripts of records including grades and registered degree (*examen*)) are available in Ladok database OR
The degree/merits are enclosed in application.
- A Swedish degree (*examen*) is registered in Ladok AND/OR
 Other degree is enclosed to application.

Final semester applicants

- A certificate of ongoing studies (*registreringsbevis*) is enclosed to application (not necessary if the programme of study is available in Ladok database).
 Transcripts of records including grades are enclosed to application (not necessary if the merits are available in Ladok database).
- Relevant course syllabuses, if the content and focus of courses listed on the transcript is not clearly conveyed in the titles of those courses. The syllabus/es must be issued by your university.
- Proof that you satisfy the English language requirements.
 - English B/6 registered in the electronic database (check via your account at universityadmissions.se).
 - Older upper secondary education merits enclosed to application.
 - International language test.
 - Other:

6. Proof that you meet the **specific entry requirements** (see below).
7. Letter of intent if required (learn more below).
8. This checklist.

Specific entry requirements

The specific entry requirements are outlined in individual programme descriptions, on each programme's webpage. You can find a list of our programmes here: <https://liu.se/master>

On each programme's webpage you can find programme specifications by clicking on the large plus sign.

Please state which courses on your transcript you believe are relevant for meeting the specific entry requirements.

For example, if the specific entry requirement for the programme includes 30 ECTS mathematics, you must list which courses in your transcript (and syllabus) are relevant to meet that particular requirement.

Name of programme: Material Physics

Specific Entry Requirements:	Courses on transcript/ in syllabus:
20 ECTS Mathematics	<i>Mathematics I 5 credits, Mathematics II 5 credits, Calculus 5 credits, Algebra 3 credits, Probability Theory 3 credits</i>
20 ECTS Physics	<i>Physics I, Physics II, Wave physics (1 course), Mechanics (2 courses)</i>

Fill in details on next page if applicable.
