

Hello everyone!

Congratulations and a warm welcome to the Ethnic and Migration Studies (EMS) Master's program at Linköping University!

Allow us to introduce ourselves: we are Mónica and Dimitrios, the 2nd year EMS student representatives. We understand that starting a new program in a new country can bring up questions and concerns, so we want to let you know we're happy to give some guidance!

To help you prepare, we recommend checking out the [LiU Student Ambassador Blogs](#) and the ["Fika with Us" Podcast](#). These resources cover a wide range of frequently asked questions, from the weather in Sweden to getting ready for your studies. They provide valuable insights and tips that will come in handy.

We are also planning some welcome activities at the end of August to help you settle in Norrköping and get to know your fellow classmates and the second-year students. You can take a look at the dates and activities below. They are great opportunities to build connections and establish a supportive network right from the start.

Additionally, we have created a Facebook group specifically for new students in the Ethnic and Migration Studies program. This group serves as a platform for information sharing, socialization, and creating a sense of community among your peers. We invite you to join the group and start connecting with your future colleagues. We also have a Whatsapp group and an Instagram page. But, don't feel overwhelmed or pressured to join everything, we'll make sure to share important information across all platforms, so you can simply follow the ones you use most.

Once again, congratulations on being accepted into the program. We are sure that your time at EMS will be both rewarding and intellectually stimulating. Should you have any questions or concerns, please don't hesitate to reach out to us.

Mónica and Dimitrios  
EMS 2nd Year Student Representatives
