Examples, cont.

- According to the comments, my report is especially weak on the **'Introduction/background'** and **'Reference system/Usage'** part of PM academic writing. I got zero points of 4 from first, and 2 points of 6 from later one. Please tell **me what contents should I add**, and **which part of the report should be deleted**. Thank you!
- Help me with a presentation, please!

When AES?

- Come as early as possible in your courses, no assignment is too small
- The earlier you begin to improve your English, the better the outcome will be during the course you take.

Why AES?

- If you have problems expressing complex ideas in English
- Nervous giving oral presentations 😬

Need to improve your English?

Academic English Support

Academic English Support at Linköping University

The Academic English Support is open to **all students** (first-cycle and second-cycle students; not third-cycle students/PhD students) at Linköping University and is available at **all three campuses** (Linköping/Valla, Linköping/US, and Norrköping). Our aim is to help you improve your English language skills and make you more confident about using English for academic purposes. If you are working on a take-home exam, an essay, a thesis, etc, you may contact us for help and advice on how to improve your text. We can also give you feedback and advice regarding oral presentations.

Writing in English

We offer **individual guidance** regarding:

- how to plan and organise the text
- how to structure the content logically and clearly
- how to make the text coherent
- how to improve your linguistic skills – grammar, vocabulary, etc.
- which tone and style is best suited for the text

Please note!

We will **not correct the mistakes** for you, **neither proofread** the entire text. Instead, we will work together with you to improve it. Our aim is to **provide you with the tools you need** to continue working on your own to develop your academic writing skills.
