3. Friday October 4, 08.30–13.00 room KO23, Kopparhammaren 2.

On Thursday the working group will be divided into two separate sessions: 2a and 2b. Session 2b will take place in room KO122. All other sessions take place in room KO23. Both rooms are located in the building Kopparhammaren 2. At the end of this document, maps of the building and the rooms are included. Those who present their paper on Wednesday or Friday are free to choose which of the sessions on Thursday to attend.

In the sessions, each author(s) will have up to 10 minutes to present their paper and the discussant(s) will have up to 15 minutes to give comments on the paper. Thereafter the floor opens for another 15 minutes. If you want to show some slides, please send them to the chair in advance (gissur.erlingsson@liu.se or richard.ohrvall@liu.se).

On Wednesday October 2 at 19.30 there is a working group dinner (at own expense) at restaurant Enoteket for those who have signed up for that.

We are looking forward to seeing you in Norrköping!
