THE LINKÖPING UNIVERSITY MALE VOICE CHOIR, was formed in 1972 (when it went under the name "Lihkören"). The choir, which is an active part of the Nordic student choir tradition, upholds the traditions considered to be worthy of maintaining, while at the same time challenging these with courage and curiosity. It has a large and broad repertoire, from classical male voice choir music to newly written pieces, and light-hearted student fun. www.lkss.se

THE LINKÖPING UNIVERSITY WOMEN'S CHOIR - LINNEA is a female choir at Linköping University. It was formed in 1997 on the initiative of the male choir Linköpings Studentsångare (called Lihkören at that time) and its conductor Hans Lundgren.
