

Questionnaire to Delegates at UNFCCC COP19/CMP9, Warsaw

Dear Delegate, this questionnaire is part of a scientific study that started in Bali 2007. We appreciate if you take a few minutes to complete it and return it to the person handing it out.

1. What is your primary role at the conference? Please tick one.

- | | |
|--|--|
| <input type="radio"/> Negotiator in national delegation | <input type="radio"/> Researcher/scientist |
| <input type="radio"/> National government | <input type="radio"/> Indigenous peoples |
| <input type="radio"/> Local government | <input type="radio"/> Environmental NGO |
| <input type="radio"/> UN or intergovernmental organisation | <input type="radio"/> Other NGO: |
| <input type="radio"/> Business | <input type="radio"/> Other: |

2. What are your primary professional interests? You may tick several options.

- | | |
|---|--|
| <input type="radio"/> Mitigation | <input type="radio"/> Technology |
| <input type="radio"/> Adaptation | <input type="radio"/> LULUCF and REDD+ |
| <input type="radio"/> Development issues | <input type="radio"/> Biodiversity and nature conservation |
| <input type="radio"/> Emissions trading, JI and CDM | <input type="radio"/> Energy security |
| <input type="radio"/> Financing | <input type="radio"/> Other: |

3. Which countries, party groupings and/or organisations have a leading role in the climate negotiations?

4. To what extent do you agree with each of these statements?

Indicate on a scale of 1-7 how each statement corresponds with your view:
(1) means disagree strongly and (7) agree strongly.

Climate change is most effectively tackled through:

	Disagreement			Agreement			
	1	2	3	4	5	6	7
Technological innovations	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Market mechanisms	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Government regulation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
New economic models valuing sustainability	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Lifestyle changes	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Efforts to limit population growth	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

5. To what extent do you agree that the following components for mitigation should be included in a future climate agreement? Indicate on a scale of 1-7 how each statement corresponds with your view: (1) means disagree strongly and (7) agree strongly.

	Disagreement			Agreement			
	1	2	3	4	5	6	7
A global temperature goal for <i>all</i> Parties, for example a 1.5 or a 2 C° target	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Binding commitments by <i>major emitters</i> to put caps on emissions	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
A collective binding cap on emissions by Annex I Parties	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Voluntary pledged mitigation actions by <i>developed</i> country Parties	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Nationally appropriate mitigation actions (NAMAs) by <i>developing</i> country Parties	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Technology policy agreements, such as performance or renewable portfolio standards for <i>all</i> Parties but with different responsibilities	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Technology investment targets in research and development for <i>all</i> Parties but with different responsibilities	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Carbon markets	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Other:	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. What are the most important objectives for Nationally Appropriate Mitigation Actions (NAMAs) by developing country Parties? Indicate your level of agreement with the statements below on a scale from 1-7, where (1) means strongly disagree and (7) strongly agree.

	Disagreement				Agreement		
	1	2	3	4	5	6	7
Increase mitigation contributions by developing countries	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Increase financial support from developed to developing countries	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Increase technology transfers from developed to developing countries	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Increase research and development of low emitting technologies in developing countries	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Promote nationally defined sustainable development goals	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Promote internationally agreed development goals, e.g. the Millennium/Sustainable Development Goals	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Other:	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

7(i). In your view, what share of the long-term finance (US\$100 billion annually) should be channeled through the Green Climate Fund (GCF) in the period 2020-2030:

Share: % of long-term finance should be channeled through the GCF

(ii). In your view, what share of the funding for the GCF should come from public or private sources of finance (in 2020-2030)?

Share (assuming no overlap, add up to 100%): % public % private

(iii). In your view, what share of the funding distributed by the GCF should go to mitigation or adaptation (in 2020-2030)?

Share (assuming no overlap, add up to 100%): % mitigation % adaptation

8. Indicate your level of agreement with the statements below (listed alphabetically) on a scale from 1-7, where (1) means strongly disagree and (7) strongly agree.

The purpose of the UN Climate Change Conferences is to:	Disagreement				Agreement		
	1	2	3	4	5	6	7
Exchange views about climate change among government representatives	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Exchange views about climate change among government representatives and other actors	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Foster cooperation on climate change	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Negotiate an international agreement on climate change mitigation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Negotiate an international agreement on climate change adaptation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Raise public awareness of climate change	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Share best practices for climate change actions	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Other, please specify:	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

9. What other forums outside the UNFCCC are, in your view, important for effectively tackling climate change? Please provide examples:

.....

.....

10. Demographic information

Nationality: Gender: Male Female

Country of residence:

11. If you have any queries or additional comments concerning this study, please let us know.
