Outreach, utilization and value creation from research:

For me all social science practices have to be meaningful and valuable also outside its academic contexts. Thus, my research is embedded into real challenges and we work in close collaboration with public actors as the SKR, municipalities and interest organizations. I frequently give public presentations and lectures and our research team have for four years arranged International summer schools for young professionals on digital government, funded by the Swedish Institute program SAYP.

Stays abroad for research or teaching:

2014, Guest researcher, Auckland University, Nya Zeeland, Department of Political Science
2013, 2017 Guest researcher, University of Nairobi, Department of social science and geography incl. teaching special unit on research design and research ethics on master level.

Commissions as editor, referee:

Editorial board member: Statsvetenskaplig tidskrift, Information Polity, Scandinavian journal of Political research. Referee on frequent basis for among other journals: Government Information Quarterly, Information Polity and Urban technology. Mini-track Co-chair at HICSS, digital government. Several assignments as opponent, member of grading committees for public PhD defenses in Political Science, Information systems, Home Economics, STS, Geography and Economics.
