

For payments taking place via the Salary and Payment services of Swedbank and the Saving Banks, you can ensure that your deposits go to the right account by registering your account (irrespective of which bank) in Swedbank's account register. You can register a Swedish bank account quickly and easily at www.swedbank.se/kontoregister using your e-ID. If you do not have an e-ID you can fill out this form and return to the payer.

NOTE

- You must be the account holder or co-account holder for the account you are registering.
- Contact your bank for assistance relating to the correct bank account information.

Name and address (print in block capitals)

Personal Identity Number/Coordination Number*	Surname	First name
Street		
Postal code and city		
Country	Country code	

Bank account in Sweden

Clearing number	Account number
<p>The account number consists of two parts, a clearing number and an account number. The clearing number in Swedbank/Sparbank has five digits, other banks have four digits. You can find your account number on your bank statement from your bank or by accessing your online banking. If you have a personal account in Nordea where the account number is the same as your personal identity number, please specify the clearing number as 3300.</p>

Information on processing of personal information

Swedbank is the controller for Swedbank's account register. Personal information is processed by the bank for processing and administration of payments from payment agencies using Swedbank's Salary and Payments service, and in order to comply with the law and other regulations. You have the right to know if your personal information is being processed by the bank, and if so, to receive a so-called register extract. For additional information on how Swedbank treats personal information and your rights according to the data protection legislation, please go to Swedbank.se, or contact your customer centre or your branch.
