

Institute for Analytical Sociology

PROGRAMME Spring 2024

The Institute for Analytical Sociology (IAS) is happy to present the programme of our upcoming Seminar Series for the spring term 2024. The Analytical Sociology Seminars and the International Roundtable on Computational Social Science are held bi-weekly with presentations of leading international scholars. The seminars are open to all. All seminars will be broadcasted on zoom. Those with an asterisk will be held in room K0301. Please contact madelene.topfer@liu.se for the Zoom link.
