

N.B. : An intermittent employment should already be registered in Primula when reporting worked hours.

Personal details and employment information

Given name	Surname	Personal identity number
Position (e.g. Student assistant, Teaching assistant etc.)		Contact person at LiU
Description of performed work (tasks, course code, project name or similar)		

Report of worked hours

In the boxes below, enter how many hours you have worked for each month and day. If you have, for example worked two hours on January 1, write January in the month box and the number 2 in the box for the day you worked. It is important that the correct information is registered so that any "LAS days" are counted correctly.

Month	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	Total
