What Is Compulsory?

All exams, both written (including take-home assignments/exams and the *Magister* thesis) and oral, are compulsory.

Active student participation in seminars is also compulsory. In order to maximize the learning opportunities offered, teachers will assign certain preparatory reading assignments before the seminars, and your reading and preparations will then be the starting point for the seminar tasks and discussions. Students may also be asked to hand in notes before class. Specific reading and course instructions will be given during the introductions for each course module. If, for any reason, the student is unable to attend, s/he should contact the teacher to discuss whether a make-up assignment is appropriate.
