G1X

Intended learning outcomes
On completion of the course, the student should be able to:
- account for how nonfiction texts can be written, designed, reviewed and evaluated
- analyse written nonfiction text based on a normative and constructive perspective
- master the bases in word processing
- write a debate article and a report, and be able to make a text analysis
- master basic norms of Swedish writing rules

Course content
The course contains written presentation, language and text norms, metaphorical language and word processing

Teaching and working methods
The scheduled activities are lectures, seminars and group work. Apart from independent studies of the reading list, the studies include group assignments outside of scheduled time. The course participants should produce texts for review and discussion. The students should also study independently.

Examination
Written presentation. Written assignments. Written examination.
  Students failing an exam covering either the entire course or part of the course twice are entitled to have a new examiner appointed for the reexamination.
  Students who have passed an examination may not retake it in order to improve their
Grades

Three-grade scale, U, G, VG

Other information

Planning and implementation of a course must take its starting point in the wording of the syllabus. The course evaluation included in each course must therefore take up the question how well the course agrees with the syllabus.

The course is carried out in such a way that both men’s and women’s experience and knowledge is made visible and developed.
