

Environmental Law

Programme course

6 credits

Miljörätt

TEAE09

Valid from: 2017 Spring semester

Determined by

Board of Studies for Mechanical Engineering
and Design

Date determined

2017-01-25

Main field of study

Commercial Law

Course level

First cycle

Advancement level

G1X

Course offered for

- Chemical Analysis Engineering, B Sc in Engineering
- Chemistry
- Chemical Biology
- Energy-Environment-Management

Entry requirements

Note: Admission requirements for non-programme students usually also include admission requirements for the programme and threshold requirements for progression within the programme, or corresponding.

Examination

TEN1	Written examination	U, 3, 4, 5	4 credits
UPG1	Approved seminars	U, G	2 credits

Grades

Four-grade scale, LiU, U, 3, 4, 5

Department

Inst för ekonomisk och industriell utv

Director of Studies or equivalent

Christina Nordin

Examiner

Johannes Lerm

Hydén H; Rättsregler: En introduktion till juridiken, Studentlitteratur, senaste upplagan.

Svensk lag; Iustus förlag, senaste upplagan.

Common rules

Regulations (apply to LiU in its entirety)

The university is a government agency whose operations are regulated by legislation and ordinances, which include the Higher Education Act and the Higher Education Ordinance. In addition to legislation and ordinances, operations are subject to several policy documents. The Linköping University rule book collects currently valid decisions of a regulatory nature taken by the university board, the vice-chancellor and faculty/department boards.

LiU's rule book for education at first-cycle and second-cycle levels is available at http://styrdokument.liu.se/Regelsamling/Innehall/Utbildning_pa_grund-_och_avancerad_niva.
