

Ecology and the Environment

Programme course

6 credits

Ekologi och miljö

TFBI23

Valid from: 2017 Spring semester

Determined by

Board of Studies for Industrial Engineering
and Logistics

Date determined

2017-01-25

Main field of study

Biology

Course level

First cycle

Advancement level

G1X

Course offered for

- Industrial Engineering and Management - International, M Sc in Engineering
- Industrial Engineering and Management, M Sc in Engineering

Entry requirements

Note: Admission requirements for non-programme students usually also include admission requirements for the programme and threshold requirements for progression within the programme, or corresponding.

Examination

TEN2	Written examination	U, 3, 4, 5	2 credits
UPG1	Excursions and presentation	U, G	1 credits
UPG2	Written report and presentation of case	U, 3, 4, 5	3 credits

Grades

Four-grade scale, LiU, U, 3, 4, 5

Department

Institutionen för fysik, kemi och biologi

Director of Studies or equivalent

Agneta Johansson

Examiner

Karl-Olof Bergman

Education components

Preliminary scheduled hours: 0 h

Recommended self-study hours: 160 h

Course literature

Kurslitteraturen kommer att bestå av vetenskapliga artiklar och kommer att distribueras av lärarna.

Common rules

Regulations (apply to LiU in its entirety)

The university is a government agency whose operations are regulated by legislation and ordinances, which include the Higher Education Act and the Higher Education Ordinance. In addition to legislation and ordinances, operations are subject to several policy documents. The Linköping University rule book collects currently valid decisions of a regulatory nature taken by the university board, the vice-chancellor and faculty/department boards.

LiU's rule book for education at first-cycle and second-cycle levels is available at http://styrdokument.liu.se/Regelsamling/Innehall/Utbildning_pa_grund-_och_avancerad_niva.
